

New Branch Chiropractic introduces:  
**Wellness for Everyone!**

Many people fail to seek preventative care for all different reasons, but most of it ends up being cost. We are closing the gaps so that everyone can get preventative chiropractic care at an affordable price. If you are not experiencing any problems or injuries, but would like to ensure proper spinal health you can participate in Wellness for Everyone!

Cost: \$30 for a new patient exam  
\$35 for subsequent spinal exams/adjustments  
\$25 for children under 12

Get the most out of your life and help prevent debilitating conditions at the same time!

This program is for non-symptomatic patients only. If you have a condition that you would like treated, we will gladly take care of you at our normal fee schedule or according to your particular insurance. In some cases wellness patients may still need x-rays based on their history. Dr. Nygren will inform you of this prior to care so you can make the best health decision.
